

## HSDC Mission & Programs

The Humane Society's mission is to prevent cruelty and suffering among dogs and cats through rescue, adoption, and education. Our programs focus on rescue and adoption, spay/neuter, and building awareness of the tenets of responsible pet ownership. Each year, HSDC rescues and adopts out 150-200 abandoned dogs and cats, across NC and out of state. While adoptions are a critical part of our mission, **the long-term solution to animal overpopulation in Davie County is *SPAYING AND NEUTERING*.**

### HSDC Spay/Neuter Transport Program

HSDC offers access to affordable spay/neuter surgery for community pets through two clinic days each month. On the 2<sup>nd</sup> Wednesday each month, a van from the Humane Society of the Piedmont in Greensboro comes to the HSDC Adoption Center for pet pick-up. The pets are taken to HSP's Planned Pethood Spay and Neuter Clinic for surgery, monitored overnight, and returned to HSDC the next morning. A second clinic transport runs to Central Spay, Neuter, and Wellness Clinic where pets are altered and returned same day.

Paid reservations are made at least one week in advance. Since this partnership started in 2010, **2,700 pets** have been spayed or neutered through this HSDC program.

Call (336) 751-5214 for more information and to make reservations.

### How You Can Help

- 🐾 **Foster homes** are critical to our success. Foster homes provide temporary quarters for HSDC dogs and cats for any number of reasons: kitten and puppy care, sickness, socialization, relief from kennel environment, senior pet needing comfortable and comforting care, or short-term quarters while awaiting transport and adoption. Please call 336-751-5214 if you are interested.
- 🐾 **Donations of basic supplies** are vital to keep us going: paper towels, liquid bleach and HE laundry detergent, dog collars and leashes, and clumping cat litter are always welcome. Kids, in organized groups or at birthday parties, like to collect items for the Humane Society - a great way for them to learn about animal care *and* to help our dogs and cats.
- 🐾 **Financial donations** underwrite our rescue, adoption, medical, and spay/neuter expenses. ***Your tax-deductible financial assistance means an abandoned pet gets a second chance.***

Humane Society of Davie County is an independent 501c3 non-profit organization.

Welcome to the 21st annual
